Re: Thank You for Supporting Iqaluit Women's Soccer

Our Iqaluit Women's Soccer team would like to send a very big thank you to Qikiqtaaluk Corporation for your support. Thanks to your organization's contribution we were able to reach our fundraising goals to send our team to Rankin Inlet, NU from May 9-12 to attend a Nunavut Women's Adult Soccer Tournament.

We put in a strong effort and managed to win 1st place for the first time ever!

We made sure Qikiqtaaluk Corporation was acknowledged for your support in our local fundraising efforts, on social media as well as to the host committee in Rankin Inlet. We were the only community represented from outside the Kivalliq region and were happy to make Iqaluit proud.

Thank you for supporting our goals of living active lifestyles and playing the sport we all love.

Nakurmiik!
